Motion For Medical Discharge, and transfer out of
Custody of Doc, to Delaware State Hospital For
Further Evaluations

- 1) I am a inmate at the Delaware Correctional Center. Name: Al Muhammed Aleek Shabazz alias Roger Dennis Jr. I've done over 85% of my time 17 yrs on 19 1/2 20 yrs lit. I've been through a great deal Honorable Judge Gregory M. Sleet.
- 2) I'm not asking to go directly back to the street that's why I make this motion to be transferred to the state Hospital for further exams & evaluations.
- 3) Due to the outcome of the Federal Probe on these prison Investigations, and the findings of Inadequate medical treatment, and so forth, it was said that all whom have medical lawsuits, so forth in should benefit. The prisons have been found liable of a lot of violations.

4) I hope and pray that your Honorable Judge for the foregoing claims will grant this motion of Relief.

Also I the Plaintiff filed on time before the 30 Day time period Plaintiff's First Amendment to Claims for Relief and Injunction on, my original case, but have yet heard the status of my case.

Please get back to me on the status, and this New Motion. The prison has illegally moved me to Supermax Unit without justification, had my mother & family with new born baby waiting in visiting room the whole visit without telling them what was going on. I was in psychics ward in the back of hospital, But naked paper gown being humiliated 21days from Nov. 28th 06 to Dec. 20th 06, taking showers without proper hygiene nothing to put on my feet so forth. Treated like a animal, and less than Human. Where is the Justice.
